

The Story of Your Writing

For our first assignment, please write a one page free-write about your history as writer for the next class. In this you can include...

- The successes you've had with writing
- The struggles you've had with writing
- What you like to write
- What you don't like to write
- What your skills are in regards to writing
- What you need to work on in your writing
- How you feel about writing overall
- What your goals as a writer are

This should be at least one page double spaced (if typed) or two pages (if handwritten). It will be graded purely on meeting the criteria and putting forth a good effort.
